

Heriot School

# NEWSLETTER 5.5

Wednesday 10 June 2020 (Term Two – Week Nine)

**Dear Parents, Friends and Whānau**

Kia Ora Koutou Katoa. I apologise for sending two newsletters in one week. The move to Alert Level One has changed a few things for us at school.

As we are now at Alert Level One there is no need to complete the contact trace register at school. We have registered with the Ministry of Health to get the NZ Covid Tracer app. Once we have the QR code to scan with your smart phone then you are welcome to use this. Please note that it is entirely voluntary whether you do or do not utilise it. The drinking fountains are operating and the pie warmer (for any heat-ups) will begin again, as of Monday.

**Please read the Important information below.**

Be kind. **kia atawhai**

Help others. **āwhinatia ētahi atu**

To create opportunity, release potential, celebrate success

# Important Information

## LEARNING CONFERENCES

These are happening on **Wednesday 1 July**. Booking sheets were sent home yesterday and if you would like to arrange a time then complete and return the form or simply ring school.

## STUDENT ACHIEVEMENT REPORTS

We will be sending reports home on **Friday 26 June 2020**. They will be given to your child at school and they will be responsible for ensuring these get to you at home. If there is no report in their bag on this day then please contact us. Reports will be mailed to all other parents and guardians.

## UNIFORM

We are looking into the possibility of organising hoodies from Southern Workwear as an additional part of our school uniform.

**Please contact me via email or text if you would be interested in this.**

## BUS BEHAVIOUR

There have been incidents, reported to me recently, of misbehaviour on the Moa Flat bus. I have spoken with everyone from Heriot School on the Moa Flat bus. BMC have been informed. Please read the bus behaviour procedure attached to this newsletter. We will be following our procedure carefully.

## RONALD MCDONALD HOUSE

Remember that if you have any non-perishable foods, cans etc to donate to Ronald McDonald house then please leave these in the box at the front of Mrs Cormack's desk. Thank you very much.
