## ARTS AND CRAFTS WEEK

Dear Parents and Caregivers

This week, from Wednesday morning to Friday lunchtime, the whole school are participating in art and craft activities. This is a programme that we have run annually for a few years now and is an opportunity for students to engage in a variety of hands on and creative activities.

This year our children will be in mixed age groups of about 7 or 8 students. They will take part in 3 activities each day and 2 on Friday. This arts programme will commence at 9.15am on Wednesday morning and run through until Friday at 12.30pm (8 activities in total).

The Moa Flat Rural Women's group, as well as some other community volunteers, will facilitate the activities.

*There are no special requirements but at this stage **we would like some odd socks, children's size, to make creatures from.** If anyone has a few odd socks that they have given up on ever finding the pair to, could we have them please? We need to know if we have enough socks, so if you could get those spare socks to school tomorrow, we would be grateful.*

*Also, if **there is anyone else who is able to help us on Wednesday, Thursday or Friday,** could you please let me know as soon as possible? We are a little light on helpers, and it is always much easier with extra pairs of hands and eyes to help the little ones.*

Thank you for your ongoing support.

Colin McHutchon
